**Agenda**

# Reunion's Find & List Window

1. Help -
   - Click on Help, Contents, then ^F for FIND AND LISTS to display helpful information about those features. Reunion has very useful Help pages
   - Click on Help, Tutorials to view thorough Reunion info
   - Click on Help and click on Context Sensitive Topic listed
2. Find
   - <u>Reunion 13 Find Enhancement (@ 2 min 30 sec)</u>
   - <u>Reunion 13 Find Relationship (@ 4 min 18 Sec)</u>
   - System-wide Find
   - Enhanced Find
   - Find Relationships
   - Find and Replace (probably should stay away from this)
3. List Window
   - Sidebar selection selects content of List Window
   - Populated with results of Find
   - List Window pulldown selects contents of List Window
   - Click SHARE button to produce List Window Report

Notes:
